- YOUR GUESTS CAN TRAVEL ABOUT THE PROPERTY AND SURROUNDING TOWNS WITHOUT WORRYING ABOUT PARKING.
- WITH AN ELECTRIC MOTOR THERE IS NO HARMFUL POLLUTION.
- GUESTS WOULD ONLY NEED A VALID DRIVER LICENSE TO OPERATE.

STYLISH AND MODERN
WAY TO EXPLORE

THE MENTAL AND PHYSICAL BENEFITS

ACCORDING TO A STUDY DONE BY UCLA'S SEMEL INSTITUTE FOR NEUROSCIENCE AND HUMAN BEHAVIOR, FRESH AIR AND SUNSHINE ARE TWO ABUNDANT AND IMPORTANT HEALTH BENEFITS OF RIDING. THESE CAN LIFT YOUR SPIRITS AND RELIEVE STRESS. RIDERS WILL RETURN FROM THEIR RIDE REFRESHED, HAVING GAINED CLARITY AND SOMETIMES EVEN A GREATER UNDERSTANDING OF THEMSELVES. THE RIDE WILL MAKE THEM FEEL BETTER AND HELP THEM COPE WITH LIFE'S STRUGGLES. NOW, ADD IN THE AWE-INSPIRING SURROUNDING OF OUR GREAT STATE AND YOU HAVE A RIDE TO REMEMBER.

MAKING MORE
"HAPPY CAMPERS"

RIDING ALSO PRODUCES AN INCREASE IN ADRENALINE LEVELS AND HEART RATE, AS WELL AS A DECREASE IN CORTISOL METRICS. RESULTS OFTEN ASSOCIATED WITH LIGHT EXERCISE AND STRESS-REDUCTION!
